

*Hazzan* Sanford Cohn for Suzanne

(To the tune of “Oh, Susanna”)

Well, I came from Winnipeg C-A with my gui-tar on my knee.  
And I wound up at the Emanuel--she's been such a help to me.

She has been here to help run the shul for over twenty years.  
She has been here through the good times, and she's been here  
through the tears.

**REFRAIN:**

**Oh, Suzanne, we wish you all the best.**

**For all that you have done for us, we know that we've been  
blessed.**

She tries to keep a level head; in this she has no fault.  
But when troubles get the best of her, she finds that single malt.

She is always there to listen to my problems and discuss,  
But when something gets under her skin, you should hear that ol'  
girl cuss!

REFRAIN

Suzanne is oh so generous with her time, her love, her car,  
When she helps you plan a party, each baal-simcha is a star.

And so now our time together, Suz, is a-comin' to an end,  
But through all our ups and downs till now, you will always be our  
friend.
