

This year Purim begins on the evening of February 28<sup>th</sup>.

It is customary to perform the mitzvah of sending baskets of goodies known as Mishloach Manot (shalach manot) to friends and family.

The synagogue has found an easy way to help you fulfill this mitzvah with MINIMAL EFFORT, STRESS or PREPARATION.

By participating and sending Shalach Manot and Purim greetings to synagogue members, you can fulfill this mitzvah while simultaneously helping to raise money for Religious School programs and educational materials.
