

Be part of our new Torah Cover Project

This “drawing” by artist Jeanette Kuvin Oren shows how our new Torah Covers will look in our Sanctuary. The covers will feature a pomegranate tree motif with Hebrew words incorporated into the branches that indicate Jewish values meaningful to our Emanuel family.

Everyone can be part of this project!

- For a donation in the amount of your choice: Congregation Torah Cover
This is a great opportunity for everyone to be part of the project to beautify our sanctuary. To have your name included in the dedication of the Congregation Torah Cover, just send your donation to the synagogue office with “Congregational Torah Cover” in the memo line and a note for what you want your listing line to say. For more details, contact Francene Weingast at: franceneweingast@gmail.com or (860) 523-7778.
- For a \$550 donation, you can dedicate a Torah belt:
Twelve belts are available. On each belt you will be able to have three lines of an embroidered dedication. Each line will be no longer than 30 letters. You may dedicate more than one belt. Contact Francene Weingast at: franceneweingast@gmail.com or (860) 523-7778.
- For a \$5000 donation, you can dedicate a Torah cover:
Only two are still available for dedication. For an additional \$70.00, you may have three to five short lines embroidered onto the inner back flap of the cover. As an alternative, you may have as many lines as you want printed, rather than embroidered, at no extra cost. Both versions look elegant. Contact Francene Weingast at: franceneweingast@gmail.com or (860) 523-7778.
- Other opportunities still in the works:
The retiring Torah covers will be used to create a wall hanging for the synagogue. A display will be created for the silver breast plates. If you are interested in funding these projects or working on their design, please contact Francene Weingast at franceneweingast@gmail.com or (860) 523-7778.
