

## Emanuel Synagogue Sisterhood Presents:

## “Autism & Me”

**With Allison Butler and Milan Bonilla-Cruz**

Allison Butler is a graduate student at the USJ in West Hartford pursuing a masters degree in Special Education. She met Milan ( aka Mike) when he was in second grade and she worked with him for 1.5 years. Although he moved to a different school, they continued their special friendship on weekends. Allison and Milan’s book grew out of “a desire to understand the world from the perspective of the child”. Milan is on the Autism Spectrum and has learned to speak and share his needs with ASD. Milan drew all the pictures and colored them as well.
