

Emanuel Sisterhood Presents

Tips and Tricks of Traveling and Show and Tell Night

When: Wednesday - February 13, 2019

Where: Koret Hall

Time: 7:00 PM

Audrey Yanofsky will be presenting tips and tricks of traveling.

Examples of tips we will be going over.

Before you go on a trip, download a free App:

- **Google Translate** – Translates almost any language into English.
- **WhatsApp** – If you want to text someone for free or make a video call. Many tour guides use it to communicate with their group. Using it is free as well.
- The many uses of a zip lock bag. Bringing a night light with you. How to pack correctly.
- If you are bringing a coat/jacket, stuff the pockets. This gives you extra space in your luggage. (Snacks, maps, underwear, socks or an empty water bottle)

Bring some of your own tips along with you as well as something special you bought on a vacation and share your experience with us. This way we can get to know you better.

RSVP (Just so we can get a head count) by Feb. 10th to Audrey Yanofsky# 860-690-6139

Light Refreshments will be served
