We have become aware of some questions pertaining to voting rights at The Emanuel Board of Trustees meetings.

While all synagogue members are welcome to attend the Board of Trustees meetings, The Emanuel Constitution states that elected board members, lifetime members, who have attended 3 meetings within the last 12 meetings, and the Presidents, or a designee, of Sisterhood, Brotherhood, Minyonaires, and Board of Education have voting privileges.

These rules do not apply to the Congregational Annual Meeting in June, when everyone who is a member in good standing can vote.

If there are any questions, please don't hesitate to contact us.
