

Finance Committee Report

Fifteen individuals attended the virtual Finance Committee meeting on Sunday April 9 to review a preliminary budget for next year. Appreciation was given to Amy Dembo and Kobi Bonita for their work in preparing the draft.

There was lively discussion over several items and additional information is being sought (i.e. capital expenditures, dues collections, cost of bonding those with check signing authority, etc.). An additional meeting will be held early next month.

Mickey Libbin
Finance Committee Chair
