

## **Membership and Engagement Report – July 2023**

Michalee Merritt, VP Membership & Engagement

We are continuing to see increased interest in Emanuel Synagogue.

In the past month we have had 4 new families join.

Daniella will be attending the "Fun on the Farm" event put on by Federation.

All new members have received new member boxes welcoming them to Emanuel.

All new members are invited to their first Shabbat dinner free of charge - all new members since June have been invited.
