

RITUAL COMMITTEE REPORT APRIL 2024

The Ritual Committee has purchased a small supply of transliterated siddurim for Shabbat morning.

The Ritual Committee purchased new books of Esther for Purim.

The Ritual Committee is working on obtaining copies of the Prayer for the IDF to be inserted in our prayer books.

The Ritual Committee is working on minyan times for the 7/1/24-6/30/25 calendar.

The Ritual Committee supports efforts to have a student rabbi or student cantor for the 24-25 fiscal year.

The new electronic memorial boards have been well received, even with the occasional system breakdowns. Please let Don Miller know if you see a problem with these boards.

Kudos to Randie Fierberg and Tamar Margolis on the excellent work they and their committee are doing with the Torah Renovation Project. If you have yet to make a donation to the Torah Repair Project there is still time.

Respectfully submitted,
Don Miller and Charlotte Bower, Co-chairs
Emanuel Ritual Committee
