

## **Ritual Committee report to the Emanuel Board of Trustees June 2024**

The Ritual Committee met 7 times over the past fiscal year.

The major project for this past year has been to support the Torah Restoration Project co-chaired by Randie Fierberg and Tamar Margolis. Randie and Tamar have done a phenomenal job of coordinating this project and organizing the many events related to the educational and fund-raising aspects of this project.

Other tasks of the Ritual Committee this past year include the purchase of a transliterated siddur for Shabbat morning, the purchase of more hagadot for the community seder, and the purchase of Megilat Esther for Purim.

The Ritual Committee has discussed approved protocols for in-person and on Zoom services.

The Ritual Committee continues to support having a student Rabbi or Cantor.

Respectfully submitted,
