

The Emanuel Synagogue

2024 Annual Meeting Report to the Congregation

Sisterhood

President: Rachel Arnett

This year, the Emanuel Synagogue Sisterhood welcomed many new members. We held a number of events, including a Meet and Greet, "Get Healthy; Stay Healthy - Together" sessions, Mah Jongg tournament, Mah Jongg classes, Sukkot planting event and terrarium-building event. Sisterhood Shabbat was observed on March 9th and our members led a beautiful and meaningful service. We helped bake hamantaschen and provided refreshments for Emanuel's Purim festivities and supported the Brotherhood by serving their delicious food at Brotherhood Shabbat. We raised money for the Masorti Foundation and were honored to host this year's Women's League for Conservative Judaism North Atlantic Region Conference. We look forward to another wonderful year of programming in 2024!
